BINDING YOUR JOURNALS.

With the issue of this index your Law Institute Journal is complete and ready to be bound. Binding the parts together into a properly-sewn hardcover book makes a valuable, lasting and handsome reference work for your home or office library.

Binding is a tax-deductible expense in its entirety.

Four main styles are available, plus personalisation if you wish for an extra \$6.

The main styles are:

1. Royal blue buckram cloth with Institute crest.....\$31.50
2. Fawn English linen with coloured labels and gold lines.....\$39.50
3. Black with L.I.J. and year in gold.....\$27.50
4. Traditional leather with raised bands and coloured panels, gold lines top and bottom.....\$65

Loose-leaf binders are also available at a considerable saving over retail price by ordering direct. Please indicate year required \$25.00 per set. Please note that the L.I.J. is bound in 6-monthly volumes, 2 books per year.

Other bindings can also be undertaken if required. Some are also pictured above. Note that all books are properly sewn for strength and heavy duty, and only the best materials are used. Our binding is well known for top quality workmanship. If you wish another binding matched, simply forward a photocopy of the spine and indicate colour required with your journals. This service may suit those who take a bound volume service such as that provided for the Victorian Reports or Australian Law Reports. Rather than discard their loose parts, they may wish a second reference set bound for home.

Pick-up in Melbourne can be arranged or forward along with an accompanying letter to DX 32068 Elsternwick. We require a letter with all bindings or orders for binders. Invoices will be forwarded when the work has been completed.
